

INTRODUCTION

Before seeking our advice, you probably have a number of questions you would like to ask about us. You have the right to ask about our charges, the type of advice we will give and what you can do if you have a complaint about our services.

Information about these issues is provided in this Financial Services Guide to assist you in determining whether to use our services.

You should also be aware that you are entitled to receive a Statement of Advice (SoA) whenever we provide you with any advice which takes into account your objectives, financial situation and/or needs. The SoA will contain the advice, the basis on which it is given and information about fees, commissions and associations which may have influenced the provision of the advice.

On an ongoing basis, if further advice is furnished, or when no financial product is recommended, a Record of Advice (RoA) may be provided to you instead of a SoA. You have the right to request a copy of the RoA (if you have not previously received a copy) within 7 years of that further advice being given.

If we recommend that you acquire a particular financial product (other than securities), or offer to issue or arrange the issue of a financial product, we must also provide you with a Product Disclosure Statement containing information which will assist you to decide whether to acquire that product.

COST

How Will I Pay For The Service?

Your initial consultation is free of charge. During this meeting we will examine your situation and explain how we can work with you. If you choose to appoint us to provide financial planning advice, we will charge one or more of the following fees. All fees will be agreed with you before we proceed:

- An initial advice fee ranging from \$300.00 - \$1100.00 (incl. GST) depending on the complexity of your financial affairs and the time required.
- A one off initial investment/contribution fee (entry fee) of up to 4.0% (incl. GST) of the total amount you wish to invest.
- If we provide an ongoing review service, an adviser service fee of between 1.0% and 2.2% per annum (incl. GST) of the amount of your investments, paid monthly. For example, an adviser service fee of 2.2% based on funds invested of \$50,000, would be \$1,100.
- An hourly rate of \$220.00 per hour (incl. GST) for some additional advice and services you may ask us to provide.

The initial advice and ongoing review service fees can either be invoiced to you or paid from your investment portfolio.

If you appoint us to provide ongoing advice, we are likely to recommend that you use either our 'in-house' administration service, Executive Choice Master Fund or the Navigator platform provided by MLC Australia Limited to administer your investments. These services will incur an additional cost, details of which will be provided to you before you engage them.

For insurance services, we receive an upfront commission when the policy is arranged and ongoing commissions for each year the policy remains in place. The maximum upfront commission is 121% and the maximum ongoing commission could be 30%. For example, for a policy with an annual premium of \$1,000, we would receive a maximum upfront commission of up to \$1,210 and trail commission of up to \$300 per annum. This is paid by the insurer.

Claim Administration Fee – Successful Lump sum claims may incur a fee of 3% of the lump sum payable. We may also claim any Financial Planning benefit that may be available and where a SoA is provided to you.

Do You Have Any Relationships Which May Influence The Advice Being Given?

Poynter Hargraves is an associated company of The Mills Administration Pty Ltd which promotes our recommended platform, Executive Choice Master Fund, provides a call centre for Executive Choice members and, in conjunction with Russell Investment Group, provides investment research and recommendations and product development and management for our clients.

Mills Administration is paid for these services by Russell Investment Group and, depending on which administration service you use, Tidswell Financial Services Pty Limited which is the responsible entity of Executive Choice or MLC Australia Limited which provides Navigator. Poynter Hargraves operates the call centre for Mills Administration, for which Mills pays us a fee.

These arrangements do not increase the fees you pay.
