## Experience in the Financial Industry

Malcolm is a fully qualified Financial and Investment Adviser with over 17 years' experience in the industry, and prior to joining Poynter Hargraves, was Head of Advisory at a local advice firm. Malcolm has the Advanced Diploma of Financial Planning, Specialist SMSF Adviser designation and the Diploma of Financial Advising with FINSUA (Finance and Securities Institute)

## Qualifications and current training

Malcolm has been successful in helping clients and their families create wealth as well as managing and protecting that wealth throughout their lifetimes. He can offer professional advice and assistance in areas such as Retirement Planning, Superannuation, Tax Effective Investment Strategies and Risk Management with Personal Protection options.

Malcolm attends industry related training seminars on a regular basis and maintains his ongoing industry specific knowledge and skills through 'Kaplan Professional' to ensure qualifications and knowledge are always current.

## Interests

Malcolm has two adult children in Adelaide and when he is not working and helping his clients with their financial goals, he enjoys most sports, the gym, wine tasting and living near the beach
